

Senior Portraits, schedule a date for summer or fall 2016, before June 1st and take 25.00 off AND also get a dvd with the best 10 images, plus you also can order the rest of the photos from the on-line gallery.

I am also giving a session away for free (incl full dvd of images), so if you are interested, send me a message and I will draw a name on June 1st.

For 2016 seniors who haven't had any photos taken yet, due to hardship or other circumstances, there is still time. 1 week turn around on those images. I am doing one free for the 2016 seniors also! Send me a PM and we'll talk.
